There was attached to the said request a certified copy of the following resolution:

BE IT RESOLVED by the Bessemer City Board of Education (herein called "the Board"), in the State of Alabama, as follows:

Section 1. Findings. Preliminary to the adoption of this resolution, the Board has caused an investigation to be made of the facts set out in the following statements and, on the basis thereof, the Board has found and does hereby declare as follows:

- (a) Jefferson County (herein called "the County") is currently levying a special district tax for public school purposes at the rate of 5.4 mills on each dollar (fifty-four cents on each one hundred dollars) of the assessed value of taxable property in the special school district in the County known as the Bessemer School District (herein called the "District") and consisting of all the area lying within the corporate limits of the City of Bessemer, Alabama, situated in the County, which special district tax has been authorized to be levied annually until and including the levy for the tax year beginning October 1, 2020 (for which last tax year the tax becomes due and payable on October 1, 2021), being the tax that was originally authorized and provided for at the rate of thirty cents on each one hundred dollars in Amendment No. 3, Section 2, of the Constitution of Alabama of 1901, and the rate of which was heretofore increased by proceedings taken by the Jefferson County Commission under Amendment Nos. 325 and 373 to the said constitution, and which is being levied pursuant to an election held in the District on April 28, 1992.*
- (b) All of the area lying within the District is subject to the jurisdiction and control of the Board.*
- (c) The Board has determined that it is necessary and desirable that the special district tax now being levied in the District be continued after the expiration of the period for which the said tax is currently authorized to be levied.*

Section 2. Petition to County Commission. The Board does hereby respectfully petition and request the Jefferson County Commission to call an election to be held on March 7, 2017, in the District to determine whether or not a special district tax of fifty-four cents on each one hundred dollars (5.4 mills on each dollar) of the assessed value of the property subject to taxation in the District shall be levied annually for public school purposes within the District for a period of twenty-five (25) consecutive years commencing with the tax year that will begin on October 1, 2021 (for which first tax year the tax will become due and payable on October 1, 2022); the said levy, if authorized, not to operate to increase the presently existing 5.4 mill school tax in the District but to be in renewal and continuation of the 5.4 mill district school tax now being levied in the District.

Section 3. Delivery of Request. The Secretary of the Board shall be and hereby is directed and instructed to prepare and deliver a certified copy of this resolution to the Jefferson County Commission, accompanied by a written request that the said County Commission call the aforesaid election pursuant to the provisions of this resolution.

Section 2. Petition to County Commission. The Board does hereby respectfully petition and request the Jefferson County Commission to call an election to be held on March 7, 2017, in the District to determine whether or not a special district tax of fifty-eight cents on each one hundred dollars (5.8 mills on each dollar) of the assessed value of the property subject to taxation in the District shall be levied annually for public school purposes within the District for a period of twenty-five (25) consecutive years commencing with the tax year that will begin on October 1, 2021 (for which first tax year the tax will become due and payable on October 1, 2022); the said levy, if authorized, not to operate to increase the presently existing 5.8 mill school tax in the District but to be in renewal and continuation of the 5.8 mill district school tax now being levied in the District.

BE IT RESOLVED by the Leeds City Board of Education (herein called "the Board"), in the State of Alabama, as follows:

Section 1. Findings. Preliminary to the adoption of this resolution, the Board has caused an investigation to be made of the facts set out in the following statements and, on the basis thereof, the Board has found and does hereby declare as follows:

- a) Jefferson County (herein called "the County") is currently levying a special district tax for public school purposes at the rate of 5.1 mills on each dollar (fifty-one cents on each one hundred dollars) of the assessed value of taxable property in the special school district in the County known as the Leeds School District (herein called the "District") and consisting of all the area lying within that part of the corporate limits of the City of Leeds, Alabama, situated in the County, which special district tax has been authorized to be levied annually until and including the levy for the tax year beginning October 1, 2020 (for which last tax year the tax becomes due and payable on October 1, 2021), being the*

tax that was originally authorized and provided for at the rate of thirty cents on each one hundred dollars in Amendment No. 3, Section 2, of the Constitution of Alabama of 1901, and the rate of which was heretofore increased by proceedings taken by the Jefferson County Commission under Amendments No. 325 and 373 to the said constitution, and which is being levied pursuant to an election held in the District on August 27, 1991. The District was formerly part of the school tax district known, at the time of the said election, as the Jefferson County School District.

- (b) All of the area lying within the District is subject to the jurisdiction and control of the Board.*
- (c) The Board has determined that it is necessary and desirable that the special district tax now being levied in the District be continued after the expiration of the period for which the said tax is currently authorized to be levied.*

Section 2. Petition to County Commission. The Board does hereby respectfully petition and request the Jefferson County Commission to call an election to be held on March 7, 2017, in the District to determine whether or not a special district tax of fifty-one cents on each one hundred dollars (5.1 mills on each dollar) of the assessed value of the property subject to taxation in the District shall be levied annually for public school purposes within the District for a period of twenty-five (25) consecutive years commencing with the tax year that will begin on October 1, 2021 (for which first tax year the tax will become due and payable on October 1, 2022); the said levy, if authorized, not to operate to increase the presently existing 5.1 mill school tax in the District but to be in renewal and continuation of the 5.1 mill district school tax now being levied in the District.

BE IT RESOLVED by the Trussville City Board of Education (herein called "the Board"), in the State of Alabama, as follows:

Section 1. Findings. Preliminary to the adoption of this resolution, the Board has caused an investigation to be made of the facts set out in the following statements and, on the basis thereof, the Board has found and does hereby declare as follows:

- (a) *Jefferson County (herein called "the County") is currently levying a special district tax for public school purposes at the rate of 5.1 mills on each dollar (fifty-one cents on each one hundred dollars) of the assessed value of taxable property in the special school district in the County known as the Trussville School District (herein called the "District") and consisting of all the area lying within that part of the corporate limits of the City of Trussville, Alabama, situated in the County, which special district tax has been authorized to be levied annually until and including the levy for the tax year beginning October 1, 2020 (for which last tax year the tax becomes due and payable on October 1, 2021), being the tax that was originally authorized and provided for at the rate of thirty cents on each one hundred dollars in Amendment No. 3, Section 2, of the Constitution of Alabama of 1901, and the rate of which was heretofore increased by proceedings taken by the Jefferson County Commission under Amendment Nos. 325 and 373 to the said constitution, and which is being levied pursuant to an election held in the District on August 27, 1991. The District was formerly part of the school tax district known, at the time of the said election, as the Jefferson County School District.*
- (b) *All of the area lying within the District is subject to the jurisdiction and control of the Board.*
- (c) *The Board has determined that it is necessary and desirable that the special district tax now being levied in the District be continued after the expiration of the period for which the said tax is currently authorized to be levied.*

Section 2. Petition to County Commission. The Board does hereby respectfully petition and request the Jefferson County Commission to call an election to be held on March 7, 2017, in the District to determine whether or not a special district tax of fifty-one cents on each one hundred dollars (5.1 mills on each dollar) of the assessed value of the property subject to taxation in the District shall be levied annually for public school purposes within the District for a period of twenty-five (25) consecutive years commencing with the tax year that will begin on October 1, 2021 (for which first tax year the tax will become due and payable on October 1, 2022); the said levy, if authorized, not to operate to increase the presently existing 5.1 mill school tax in the District but to be in renewal and continuation of the 5.1 mill district school tax now being levied in the District.

Section 3. Voting Places. The said election called shall be held and conducted at the regularly established voting places in the District except as to the casting of ballots of absent voters as hereinafter provided.
